

CTHS Carol Singing in Shenfield High - December 2025

Churches Together in Hutton & Shenfield (CTHS) made arrangements to meet up in Shenfield High Street on Saturday morning 7th December to sing carols in praise of our Lord. The weather was cold, wet and frightful but nevertheless a band of us met and under our umbrellas sang six of the nine carols we had scheduled to sing. Colin Hawkins, organist, had joined us but sadly due to the rain was unable to accompany us on his keyboard.

Whilst only a small band braved the weather it was great all six member churches were represented. There are not many occasions where we can get together to praise our Lord so visibly God Bless.
